God created and designed everything in creation for a specific purpose, and He has a plan for all of time. If you're feeling like things are out of your control, then you're right - they're under God's control.

21 Awesome Quotes about God's Perfect Design ...

Let's take a look at God's perfect design for living. One Man + One Woman. God didn't design man to have multiple wives. He designed man to be married to one woman, and that for a life time. Gen 2:24 It was for the hardness of man's heart that Moses allowed man to divorce his wife under the law of Moses.

God's Perfect Design | Biblical Proof

He needed the help of another to reproduce and ultimately fulfill all the responsibilities within the family. Woman was created to be his perfect helper to fulfill a special design that only she could accomplish. God created woman with unique emotional, intellectual, and physical abilities to enable her to fulfill her husband's need for help. But, does this role as your husband's helper mean that you are inferior to him?

Richard Swinburne - Is God Perfect?

I grew up believing pastors and youth leaders who said, "God has a perfect plan for your life." I presumed it was my job to figure out what that plan was and then step into it with boldness. When I was a teenager, I began to worry that if I deviated from God's path, I'd be out of His perfect will — out on my own.

How to Discover God's Perfect Will for You

God's perfection is an attribute of who he is as a person, not an idea or theoretical postulate, and it involves ethical qualities like justice and uprightness rather than properties that would indulge selfish human desire and pleasure (as in "a perfect meal" or "a perfect day").

Perfect, Perfection - Baker's Evangelical Dictionary of ...

But philosophers have tended to steer clear of such a view, no doubt out of fear that an imperfect God would not attract mankind's allegiance. Instead, they have preferred to speak to us of a God consisting of a series of sweeping idealizations — idealizations whose relation to the world in which we actually live is scarcely imaginable.
