Original Intent And The Framers

Levy's book is an overwhelmingly good source of information on the intent of the framers of the Constitution and on the idea that original intent is not something we should rely on. Levy uses exhaustive examples on many topics ranging from jurisprudence, the Bill of Rights and the 1st, 4th, 5th and 9th Amendments.

The Second Amendment: The Framers Intentions

Original intent is a theory in law concerning constitutional and statutory interpretation. It is frequently used as a synonym for originalism ; [1] while original intent is indeed one theory in the originalist family, it has some salient differences which has led originalists from more predominant schools of thought such as original meaning to distinguish original intent as much as legal realists do.

Original intent - Wikipedia

The Framers of the American Constitution were visionaries. They designed our Constitution to endure. They sought not only to address the specific challenges facing the nation during their lifetimes, but to establish the foundational principles that would sustain and guide the new nation into an uncertain future.
