Peasants under Siege: The Collectivization of Romanian ...

Peasants under Siege provides the first comprehensive look at the far-reaching social engineering process that ensued. Gail Kligman and Katherine Verdery examine how collectivization assaulted the very foundations of rural life, transforming village communities that were organized around kinship and status hierarchies into segments of large bureaucratic organizations, forged by the language of "class warfare" yet saturated with vindictive personal struggles.

Peasants under Siege - Walter de Gruyter

Collectivization, policy adopted by the Soviet government, pursued most intensively between 1929 and 1933, to transform traditional agriculture in the Soviet Union and to reduce the economic power of the kulaks (prosperous peasants). Under collectivization the peasantry were forced to give up their individual farms...

Collectivization | agricultural policy | Britannica

Stalin's use of the collectivization process served to not only address the grain shortages, but his greater concern over the peasants' willingness to conform to the collective farm system and state mandated grain acquisitions. He viewed this as an opportunity to eliminate Kulaks as a class by means of collectivization. Crisis of 1928 [edit]
