I always fly the FSX default 737-800 as this is the aircraft I feel most comfortable and familiar with. I like the look of the PMDG Boeing 737 NGX which has excellent reviews. This has got me thinking about putting in an order, but I don't want to bite off more than I can chew. I would be interested to hear from other PMDG Boeing 737 NGX owners and how they got on with this aircraft on day one.
