"Having destroyed their government," the president said, in response to critics of his plans to occupy the Philippines after the end of the Spanish-American War, "it is the duty of the American people to provide for a better one." Colonialism was equated with respect for sovereignty, war with peace, and critics of U.S.

In *Selling War, Selling Hope*, Anthony R. DiMaggio documents how presidents often make use of the media to create a positive informational environment that, at least in the short term, successfully builds public support for policy proposals. Using timely case studies with a focus on the Arab Spring and the U.S. "War on Terror" in the Middle East and surrounding regions, DiMaggio explains how official spin is employed to construct narratives that are sympathetic to U.S. officialdom.
