Family structure in the United States - Wikipedia

The Department of Children and Families (DCF) works in partnership with families and communities to keep children safe from abuse and neglect. In most cases, DCF is able to provide supports and services to keep children safe with parents or family members. When necessary, DCF provides foster care or finds new permanent families for children through kinship, guardianship or adoption.

Massachusetts Department of Children & Families

Some families allowed children to meet and approve prospective spouses. The experience of the politician Kim Yongsam during the 1950s is typical of marriages among non-traditionalists, even before the revision of the legal code. Kim recalls that his family sent him a deceptive telegram informing him that his beloved grandfather was dying.
